WELCOME

Dear Exhibitor:

The American Society of Anesthesiologists invites you to apply for Commercial Exhibit space at its 2010 Annual Meeting. The exhibit program will be held **October 16-18** at the San Diego Convention Center in San Diego, California.

The American Society of Anesthesiologists continues to grow, with over 43,000 specialists. The Commercial Exhibit Program gives you the opportunity to meet many of our members who are looking for current information on new products, services, and technologies useful in the practice of anesthesia.

Exhibits will be open on Saturday morning from 9 a.m. until 4 p.m., Sunday from 9 a.m. to 6 p.m. and Monday from 9 a.m. to 3 p.m. See page five for the complete schedule, including set-up and dismantling times.

A reception will be held in the exhibit hall on Sunday from 4:30 to 6 p.m., allowing exhibitors dedicated time with attendees.

Exhibit space will be reserved on the basis of receipt of application and appropriate deposit. Selling of space for the 2010 Annual Meeting in San Diego begins at the 2009 Annual Meeting in New Orleans in October. The priority point deadline is November 2, 2009 for priority placement on the floor plan. The priority point system is explained on page 6. **Please read the Information and Regulations Governing Exhibits thoroughly.** We suggest that you provide copies to appropriate personnel within your company, and to booth designers, exhibitor-appointed contractors, and other vendors who are involved with your exhibit.

The **2010 Exhibitor Calendar**, with dates and deadlines for exhibitors, is on page five. We hope you find it helpful.

We look forward to your participation at the 2010 ASA Annual Meeting. Please contact us at 847-825-5586 if you have any questions about our Commercial Exhibit Program.

50' x 50'	\$98,750	\$49,375

The deposit is due with the completed application and final payment is due on March 1.

Booth prices include direct link to your company's Web site from ASA's Annual Meeting Web site which will be posted from January 1, 2010 until January 3, 2011.

2. Space Assignment

The American Society of Anesthesiologists assigns technical exhibit space on a priority system based on points if we received a completed application and deposit by November 2, 2009. This system is designed to recognize a company's past exhibits with the Society. Strict adherence to this system allows ASA to process each company's application fairly.

A. POINTS WILL BE ASSIGNED ON THE FOLLOWING BASIS:

- Double priority points per 10' x 10' equivalent booth space for all companies that get us a completed and signed application along with a 50% deposit of the booth rental by November 2, 2009.
- 10 points for each 10' x 10' equivalent space in which the applicant has exhibited since 1948. This is the standard priority points awarded after November 2, 2009.
- 25 bonus points for every five years of consecutive exhibiting since 1948.
- 1 point for every \$1,000.00 spent in sponsorships or advertising.

- Booth space applications must have been received no later than November 2, 2009 to take advantage of earned priority points toward space for the 2010 Annual Meeting.
- Booth assignments will be mailed out after we receive your completed application and deposit.

B. VISA, MasterCard and American Express are accepted. All checks for payment of booth space must be drawn on a U.S. bank. No exceptions.

C. Remember that many firms will apply for space and many will request the same booths. Although every effort is made to honor your requests, we may be able to accommodate you better if your choices are in different areas of the floor plan. Because the priority point system reflects exhibit history, much of the best space is likely to be assigned to long-time exhibitors and companies who complete an application and submit a deposit before the November 2, 2009 priority point deadline.

D. Applications for space should list six or more choices. Every effort will be made to confirm one of your choices.

E. You may obtain a better location if your choices are not all corner booths.

F. On your application, please notify us if there are firms which you do not wish to be located adjacent to or opposite from. Please note that proximity problems are also a major factor in booth assignments and may be a reason you are not assigned one of your choices.

G. Assignments will be made after we receive your deposit and completed application and will be based on the priority point system first and then after November 2, 2009 it will be on a first come, first served basis.

3. Adjustment of Exhibit Floor Plan

The floor plan is on pages 8 and 9. The Society reserves the right to add or remove booths if necessary.

4. Payment and Cancellation/Reduction Terms

A 50% deposit of total booth rental must be sent to the American Society of Anesthesiologists with the completed and signed application. **Applications received without the correct deposit will be returned. Payments made by check must be drawn on a U.S. bank. VISA, MasterCard and American Express are accepted.** Deposit retention is contingent upon accept-

ance of space assignments. Space assignments are considered accepted unless the exhibitor notifies the Society otherwise within 10 days of date of mailing notification of assignment. The remainder must be paid on or before **March 1, 2010**. Applications received after March 1 must include full payment of booth rental.

If cancellation or reduction of exhibit space is necessary **between November 3 and March 1**, the exhibitor will forfeit 25% of total booth rental. Exhibitors cancelling or reducing their space between March 2 and June 1 will forfeit 60% of total booth rental. Exhibitors cancelling **after June 1** will forfeit 100% of total booth rental.

Delinquent Accounts

In the event the indebtedness evidence hereby is collected by or through an attorney, the American Society of Anesthesiologists hereof shall be entitled to recover reasonable attorney's fees to the extent permitted by applicable laws. Should the delinquent account be placed with a collection agency, the exhibitor also will be liable to repay a twenty-five percent (25%) service collection fee. This may include, but is not limited to, filing fees, court costs, collection agency fees and attorney fees.

5. Exhibit and Set-Up Hours

Wed. 10/138 a.m. - 11 p.m.
 Thurs. 10/14.....8 a.m. - 11 p.m.
 Fri. 10/158 a.m. - 11 p.m.*

EXHIBIT HOURS

Sat. 10/16.....9 a.m. - 4 p.m.

Mon. 10/18.....3 p.m. - 11 p.m.
 Tues. 10/198 a.m. - 11 p.m.
 Wed. 10/208 a.m. - 10 a.m.

* **All exhibitors must begin their set-up by 6 p.m. on Friday.**

** **Early move-out is NOT allowed.**

Strategic Alliance Services will install all exhibit installation not begun by 6 p.m. on Friday, October 15, with the appropriate charges billed to the exhibitor. No set-up will be allowed on Saturday morning, October 16.

All empty crates must be labeled for removal from the exhibit floor by 6 p.m. on Saturday, October 16. All crates not ready for removal at this time must be within the perimeter of the booth space.

EXHIBITS MUST BE SET UP AND DISMANTLED ONLY DURING HOURS INDICATED, and must be staffed during all exhibit hours on October 16, 17, and 18. Exhibits must be packed and ready for removal from the exhibit floor no later than 10 a.m. on Wednesday, October 20.

6. Location of Exhibits and Scientific Sessions

Scientific sessions will be held at the San Diego Convention Center. Scientific and Commercial exhibits will be in Halls D-H at the Convention Center.

7. Exhibitor Listing in the Exhibit Guide

A list of exhibitors who apply for space by June 1 will be published in the exhibit guide to be distributed at the meeting. All exhibitors' listings will be posted on ASA's web site.

8. No Smoking Policy

Smoking is not permitted in the exhibit hall at any time during move-in, show hours, or move-out by exhibit personnel, exhibit suppliers, or meeting attendees.

9. Hotel and Travel Information

All housing will be arranged through Travel Planners, the ASA Housing Bureau. Rates and locations will be listed on the Hotel Reservation Form that will be sent to all exhibitors in May. Airline information will also be available concerning reservations through United Airlines.

10. Shuttle Bus Service

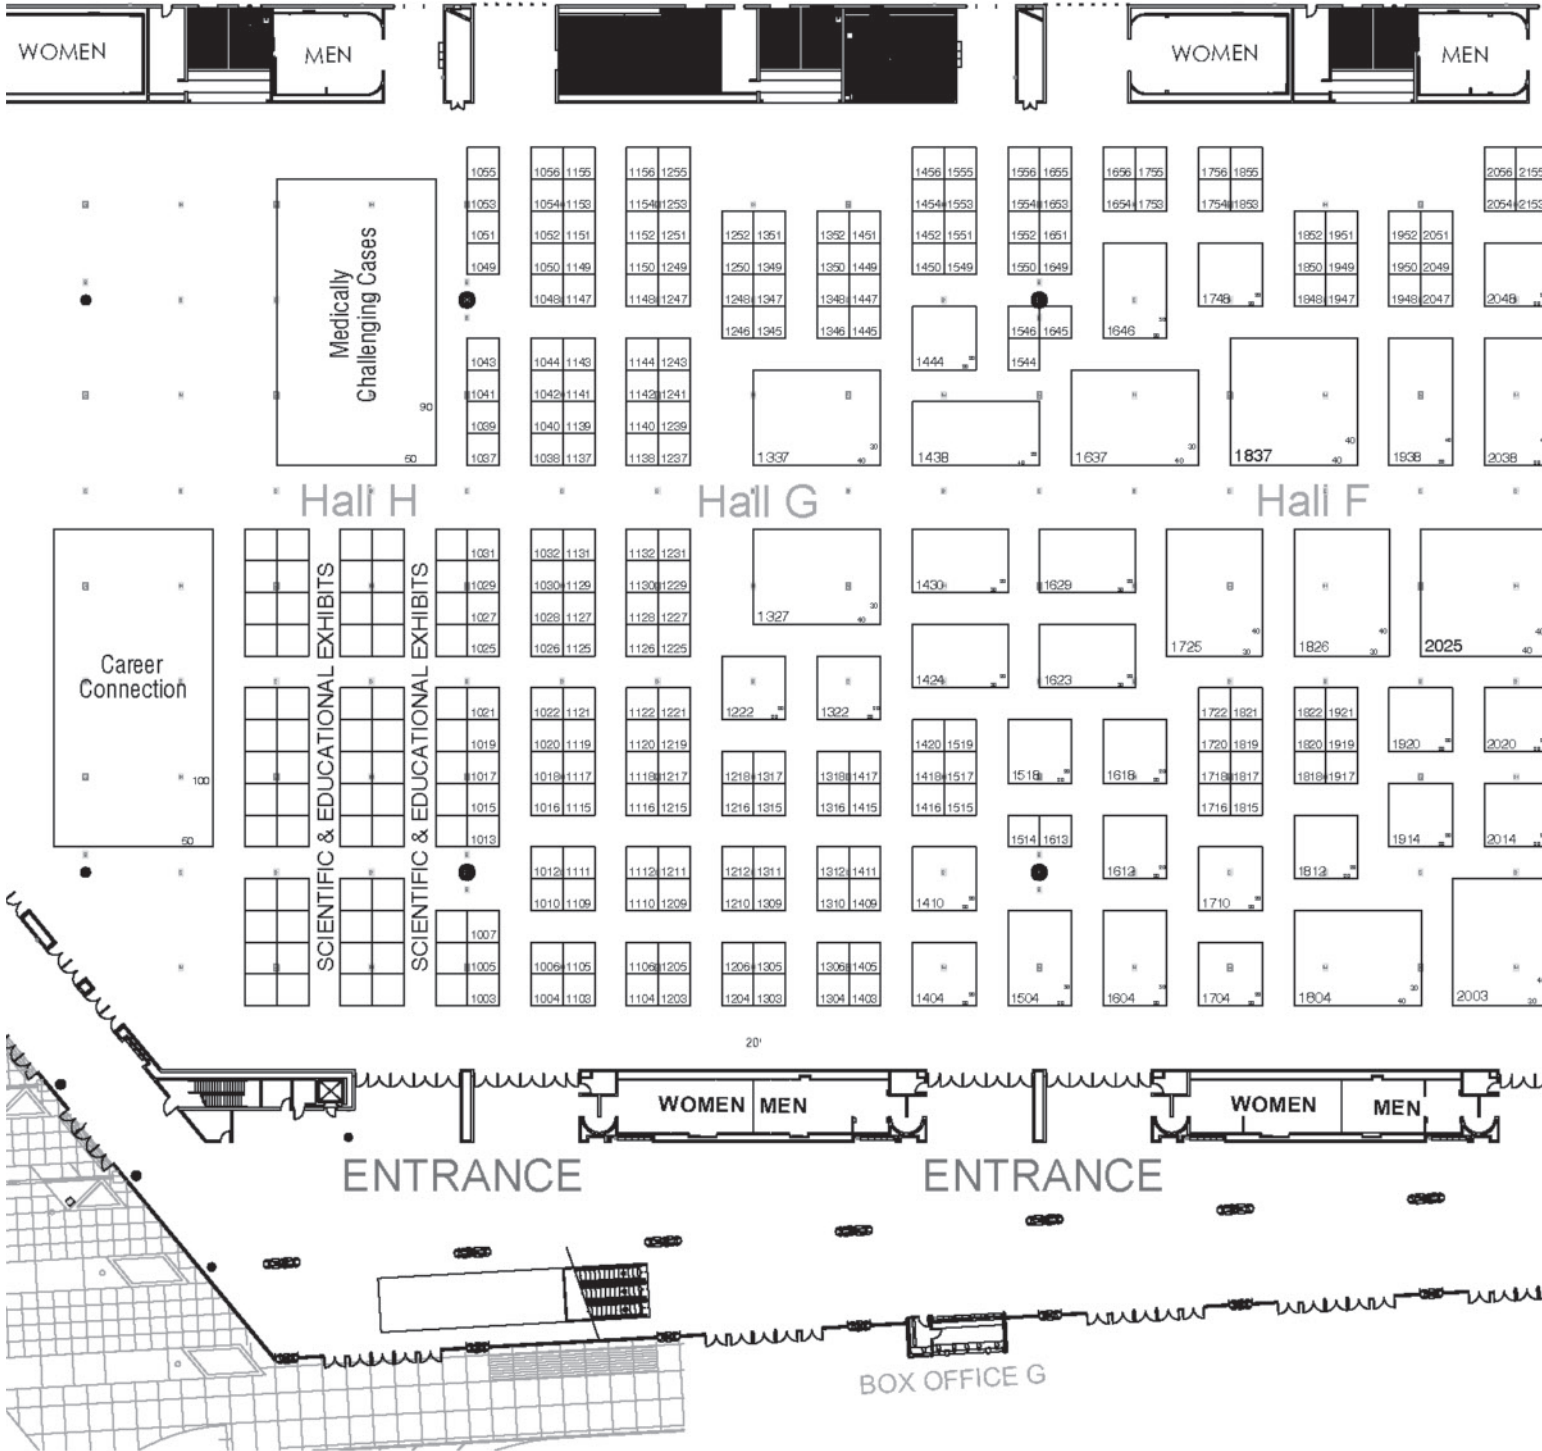

Shuttle bus service will be available between most hotels listed on the housing form and the San Diego Convention Center. The shuttle bus schedule indicating pickup points and times will be available to exhibitors when they pick up their name badges at the meeting.

11. Carpet and Drapes

To improve the appearance of the exhibit hall, **carpet is required in all booth spaces and is to be provided at the exhibitor's expense.** It is suggested that the carpet be compatible with the exhibit hall colors of blue carpet and silver drape. Scientific and Educational booths will have silver carpet and 8' back wall and side rail blue drapes.

1. Exhibit dates are October 16-18.
2. All booths are 10' deep and 10' wide, except where indicated.
3. No peninsula or end-cap booths are allowed.
4. Exhibitors in linear booths must install displays along the 8' drape in the back of the booth to face the booths directly across the numbered aisles.

12. Electrical Service

The exhibitor must arrange for all necessary electrical service, preferably in advance. Electrical forms will be included in the service kit. Forms must be completed and returned to the San Diego Convention Center.

13. Furnishings and Signs

Furniture, decorations, signs, and miscellaneous items may be rented from Strategic Alliance Services. **The complete exhibitor service kit will be online by June 1, 2009. A link will be provided from ASA's Web site at www2.asahq.org.**

A 7" x 44" identification sign will be provided for all in-line booths.

14. Prizes, Contests, Lotteries

Prizes, contests, lotteries or drawings are strictly prohibited at any time.

15. Giveaways

Giveaways are allowed if they are tasteful, available in sufficient quantities to general booth traffic, and are latex-free. (See Item 18.) Giveaways must not obstruct booth traffic and must be stored within the booth space or in an approved area through the general contractor.

16. Exhibit Specifications and Restrictions

Exhibits must conform to the usual requirements. Commercial exhibitors shall be restricted to those acceptable to the American Society of Anesthesiologists. Acceptable exhibitors are companies whose products or services must be relevant professionally to the practice of anesthesia and in good taste. No novelty items, including jewelry and T-shirts, may be sold from the exhibit booth. No subletting of space will be permitted.

Exhibits may not project beyond the space allotted.

No exhibit will be permitted to span an aisle by ceiling or floor covering. Exposed or unfinished sides and/or exhibit backgrounds must be draped to present an attractive appearance. The exhibits will be inspected during the set-up time. The decorator, with ASA's approval, will provide draping deemed necessary and submit the charges to the exhibitor.

Linear booths (10' x 10') may use a height of 8', providing it does not interfere with any other exhibitor's view. Linear booths, including signage, may not project above the 8' backdrop. Linear booths will include an 8' high backdrop and 36" high curtain sidewalls. All display fixtures over 4' in height and placed within 10 lin-

ear feet of adjoining exhibits must be confined to that area of the exhibitor's space which is within 5' of the backline. **No peninsula booths are allowed.**

Island booths may use a height of 20'. Island exhibits must be accessible from all four sides and must be arranged to allow see-through visibility. They must not obstruct substantially the view of, or interfere with, other exhibitors' displays.

Aisles must be kept clear for traffic. Exhibitors' activities, personnel, giveaways, and equipment must be confined within the booth space. No loudspeakers, public address systems, lights, or other equipment that may be annoying to adjacent exhibitors shall be permitted in the booths. Sound leakage must not interfere with any other exhibitor.

Nothing shall be posted on, tacked, nailed, screwed, or otherwise attached to columns, walls, floor, or other parts of the building or furniture. **Display or company logos may not be suspended from the ceiling, unless it was a sponsorship purchased from ASA.** ASA and the San Diego Convention Center must approve in advance any special lighting or lighting trusses that must be secured to the ceiling.

Distribution of promotional gummed stickers or labels is prohibited. Anything in connection therewith necessary or proper for protection of the building, equipment, or furniture will be at the expense of the exhibitor.

17. Food Items

Approval for the distribution of food and beverage items must be obtained from the American Society of Anesthesiologists and the San Diego Convention Center caterer. Popcorn, peanuts and other loose items are prohibited.

18. Latex-Free Meeting

Exhibitors are prohibited from using latex products such as gloves, balloons and other latex-based promotional items due to the significant prevalence of latex sensitivity among anesthesiologists.

19. Prohibition of Exhibitor-Sponsored Scientific Sessions

Commercial firms which exhibit at the Annual Meeting will not be permitted to conduct or sponsor educational activities, presentations, or meetings in San Diego from, and including, Friday, October 15 through Wednesday, October 20, 2010. Only normal sales presentations describing products and their functions are

allowed in exhibit booths, hotel sleeping rooms and suites at dinners and receptions and any sponsored activity on the exhibit hall floor. ASA provides the scientific education at the meeting. **To avoid conflicts with the Annual Meeting scientific program, physicians may not make any scheduled, live presentations in Technical Exhibit booths or at exhibitor-sponsored functions. Commercial firms failing to comply with this rule will have their 2010 exhibit space revoked and no refund will be issued from ASA to the firm for the cost of the 2010 booth space.**

20. Prohibition of Symposia

Commercial firms are not allowed to sponsor scientific symposia at the meeting from Friday, October 15 through Wednesday, October 20, 2010. **Commercial firms failing to comply with this rule will have their 2010 exhibit space revoked and no refund will be issued from ASA to the firm for the cost of the 2010 booth space.**

21. Exhibitor Demonstrations

Demonstrations by exhibitors should contribute to the attendees in a professional way. Demonstrations and adequate space for an audience should be available within the confines of the individual exhibitor's booth. No interference with normal traffic flow or infringement on neighboring exhibits will be allowed. Booth personnel and giveaways must remain within the booth space.

22. Music

Exhibitors will not be permitted to play music in the exhibit hall. There are stringent licensing fees for the playing of music at a meeting.

23. Proper Attire

Proper attire consistent with the decorum of the ASA Annual Meeting is required of exhibitor personnel. **During show hours, this includes installation and dismantling company employees.**

24. Photographing and Videotaping

Exhibitors may not photograph or videotape any other company's exhibit on the exhibit floor.

25. Shipment of Exhibit Material

Exhibitors may ship their displays and product in advance to the Strategic Alliance Services warehouse or directly to the San Diego Convention Center during set up days.

Advance Shipments

Exhibitors may advance ship to Strategic Alliance Services September 4th to October 4th. Shipments should be addressed to:

Exhibiting Company Name

**American Society of Anesthesiologists
C/O Strategic Alliance Services
6060 Nancy Ridge Dr, Suite C
San Diego, CA 92121**

Charges for materials received between these dates will be \$89.00 per cwt. Charges for shipments received after October 4th will be an additional \$22.00 per cwt.

Direct Shipments

Exhibitors may ship directly to the San Diego Convention Center October 13th, 14th, and 15th. Materials should be sent at the exhibitors risk and expense to:

American Society of Anesthesiologists Annual Meeting

**Exhibiting Company Name
Booth # _____
C/O Strategic Alliance Services
Halls D/E/F/G/H
111 West Harbor Drive
San Diego, CA 92101**

Charges for materials received on these dates will be \$93.00 per cwt. and will include receipt and delivery to the booth, removal, storage and return of empty crates and reloading at the conclusion of the meeting.

Additional specialty drayage rates will be detailed in the On-Line Exhibitor Services Manual.

26. San Diego Union Regulations

Exhibit Installation and Dismantling

There is a labor agreement currently with the Decorators Union to provide labor for display installation and dismantling; including signs and the installation of carpet. This does not apply to unpacking and placement of your merchandise. Full time employees of the exhibiting company may set their own exhibits if the exhibit can be installed in one hour or less without the use of tools. Proof of employment may be required.

If your exhibit preparation, installation or dismantling requires more than 1 hour, you must use union personnel. You may provide your full time company personnel to work along with a union installer in Southern California on a one-to-one basis.

Material Handling

The Teamsters union claims jurisdiction on the operation of all material handling equipment, all unloading and reloading, and handling of empty containers. An exhibitor may move the material that can be hand carried by one person in one trip without the use of material handling equipment. Union jurisdiction precludes hotel personnel from delivering materials to exhibit booths. Strategic Alliance Services will control access to the loading docks in order to insure a safe and timely move in and out.

Display Labor Rates

Labor will be available from Strategic Alliance Services for display installation and dismantling.

Display labor rates for straight time (Monday - Friday 8:00 A.M. - 4:30 P.M.) will be \$98.00 per hour if ordered in advance. Straight time labor rates ordered on show site will be \$126.50 per hour.

Display labor rates for double time (Monday - Friday 4:30 P.M. - 8:00 A.M., and all day Saturday, Sunday), will be \$178.00 per hour if ordered in advance. Show site overtime labor will be available for \$230.00 per hour.

27. Empty Crates

"Empty Crate" labels will be available at the Service Desk and should be placed on crates when ready for removal to the storage area. Empty crates will be picked up and stored by Strategic Alliance Services and returned to your booth at the close of the meeting.

28. Hazardous Waste

Hazardous waste is any material being stored, recycled

or thrown away that could cause injury or death or pollute air, land or water. Exhibitors that generate materials fitting the above description of hazardous waste in the course of their meeting activities should:

- Be aware of the full scope of the hazards associated with their wastes.
- Conform to the requirements of all regulatory agencies having jurisdiction in the location of the creation of hazardous wastes.
- Ensure that all company personnel or agents who could possibly be engaged in the transportation, containerization, use, coordination or disposal are fully informed of associated risks.

The exhibiting company will be responsible for any costs or expense associated with the removal or disposal of hazardous wastes resulting from the activities of the exhibiting company or an agent of the exhibiting company.

29. Fire Safety Regulations

All curtains, drapes and decorations must be of fire retardant materials. Exits, fire extinguishers, fire hoses and fire sprinkler closets must be visible and accessible at all times. Compressed gases are allowed only in approved containers at the San Diego Convention Center. Only a one-day supply will be allowed in the display area and must be secured. Storage of compressed gases is not allowed at the San Diego Convention Center. Storage services will be available through Strategic Alliance Services. Use of two wire extension cords is prohibited. All temporary wiring must be accessible and free from debris and storage materials. All packing containers, wrapping materials and display materials must be removed from behind booths and placed in storage. Helium balloons are not allowed in the hall. Flammable liquids with flash point less than 110 degrees Fahrenheit are prohibited and may not be used or brought into the building. Combustible liquids with flash points higher than 110 degrees Fahrenheit must be stored in and dispensed from approved safety cans, and must be removed from the building before the show opens.

30. Security and Liability

Each exhibitor must provide for the safeguarding of its goods, materials, equipment, and display at all times. Although guards will be on duty, neither ASA, the San Diego Convention Center nor Strategic Alliance Services will be responsible for loss of any material or property of the exhibitor by or for any cause. Exhibitors can arrange for guard service for their booths. Exhibitor

property passes are required to remove equipment from the exhibit hall and will be available at the SAS service desk. The exhibitor must surrender the occupied space in the same condition as it was at the time of occupation. The exhibitor is responsible for all damage to the exhibit hall, and for any and all claims and demands on account of any injury or death or damage to property occurring in or upon the exhibitor's booth space or because of the acts of the exhibitor, exhibitor's employees, servants, agents, licensees or contractors; and exhibitor agrees to indemnify and hold harmless the Society and the San Diego Convention Center, from and against any and all liability and claims and demands which may arise from or be asserted in connection with the foregoing undertakings and responsibilities of the exhibitor. Neither American Society of Anesthesiologists nor the San Diego Convention Center, their agents, servants, contractors, or employees, are liable for injuries to any person or for damage to property owned or controlled by the exhibitor, which claims for damages or injuries may be incident to or arise from or be in any way connected with the exhibitor's occupation of display space or the acts or omissions of exhibitor's agents, servants, contractors, or employees, except for claims for damage or injuries caused by or resulting from the negligence of the Society and the San Diego Convention Center and their respective agents, servants, and employees. Exhibitor acknowledges responsibility for obtaining insurance in such amounts deemed appropriate to comply with exhibitor's obligations herein and for exhibitor's own protection.

31. Greener Meeting

As ASA takes steps toward a greener meeting, we encourage exhibitors to plan their exhibiting materials carefully to minimize waste as much as possible.

32. Advertising Opportunities

ASA offers a number of advertising opportunities for exhibitors to increase their visibility within the anesthesiology, pain management, and critical care medicine markets.

- **Annual Meeting Exhibit Guide:** The guide offers key advertising opportunities inside the guide. Also, take advantage of getting your colored logo next to your company description or purchasing a new product flag. This guide has a long shelf life and is a great tool for attendees long after the meeting is over.

- **Official On-Site Daily News:** Boost your visibility in the newspaper delivered each day to attendees, who are looking for the latest events and updates. There is an opportunity for every budget.

33. Sponsorship Opportunities

ASA is currently developing a new sponsorship program and more details will be released in 2010.

If you have any questions regarding sponsorship or advertising opportunities, contact Rose Berg at 847-268-9177 or email at r.berg@asahq.org

34. Exhibit Reception

A reception will be held in the exhibit hall on Sunday, October 17 from 4:30 - 6:00 p.m. This reception will provide exhibitors with an opportunity for dedicated time with ASA Annual Meeting attendees.
